THE BOBCATS LAST PLAY: The varsity girls basketball team played their final game at home Thursday night for the regional qualifiers. Competing against Blanche Ely, the bobcats took a hard loss, 31-76. Junior Claudia Alessandrini was eager for what's next. "I'm sad that we lost, but I'm glad I got to be part of this team. We had a great season and did our best," Alessandrini said.

SENIORS IN THE GAME: while in the 4th quarter Bobcats are significantly behind, with only minutes left head coach Chris Mckeon let all 5 seniors in for one last play. “With only minutes left I’m glad we were all there together, we have been with each other since the begging and feel we have left a great legacy behind” Senior Angela Duran said.

Duran (pictured on the right) missed the shot during the 4th quarter but nothing could bring her down. Even though they were down in points the spirits of the bobcats were high.

A BOND LIKE NO OTHER: The seniors have lead this bobcat team for a long time and carry a lot of wisdom with them, Seniors Andrea Rodriguez and Angela duran both pictured on the left have lead the team through their positive attitude all season. The underclassmen look up to them all season long. “They definitely show me how they are able to manage our rigorous practice schedule and our everyday schoolwork while still being happy and peaceful all the time, it’s definitely something i strive to be more like each and every day.” Junior Claudia Alessandrini said.

SHOOTING FOR THE STARS: Sophomore Luciana Picasso on the verge of catching up during the 2nd quarter while down by 30. On edge she still kept striving for the best. “I felt the pressure but I knew I was out there to have fun and I’m glad I’ve still got 2 great years ahead of me” Picasso said.

A true MVP Picasso was able to keep making shots during the 4th quarter. Picasso wasn't able to play the whole game but she couldn't be more than happier. "Watching the seniors all be allowed to play at once was an incredible moment to watch, they truly deserve it. It was both exciting and a sad time knowing that might be their last time all together in the court." Picasso said.

LOOKING AT THE FUTURE: Coach Chris McKeon is focused on his players as they head in the 4th quarter. While knowing they are significantly behind he is great full for how far they have come and how much they have accomplished. For one last time he is looking at all 5 of his 2022 seniors play the game for one last time.
